About the Randall PTC

The mission of the Randall Parent Teacher Club is to focus on the educational success that will take each student to a rewarding level of learning by supporting our teachers and staff with the additional tools necessary through fundraising and volunteerism.

PTC funding supports the following school and community activities: Teacher Wishlists, Annual Safety Patrol Trip, Twin Lakes/Randall Recreation Program, Deputy Friendly Safety Poster Awards, Playground Equipment, Multi-Media Equipment, School Assemblies, Shop-with-a-cop, College Scholarships for former Randall Graduates, Randall Olympic Awards and many other school activities.

We hope that we can get your support for this great event! Your sponsorship will not only help our cause, but it will also put your company's name before the public - on our website, in our newsletters, on the event program. In addition, you will gain great recognition among Randall's 650+ students and their families. Please review this brochure - there are several ways in which you can support this event!
